ASSEMBLYMAN WILLIAM COLTON
Chair

HEIDI KROMPHARDT
Senior Program Manager
kromphh@assembly.state.ny.us

March 11, 2009

Mr. Michael Iacono
Citywide Demolition & Rubbish
60 Anthony Street
Brooklyn, NY 11222

Dear Mr. Iacono:

Thank you for your participation in the February 18th meeting on construction and demolition debris recovery. Our discussion of the issues that both encourage and discourage C&D recycling have provided me with useful information to foster C&D recovery in the State. It is my intention to advance legislation and other initiatives and oversight to support the industry's "green" practices.

Please feel free to contact me or my staff with any further suggestions or insights that you feel would advance both your work and the State's efforts to promote sustainable industries. You may reach Marilyn DuBois or Patrick Golden at the Assembly's Legislative Commission on Solid Waste Management at 518-455-3711.

Thank you again!

Sincerely,

William Colton
Member of Assembly
